Examiner's Comment

The Quayle action mailed on 04-19-2004 failed to take into account a preliminary amendment, which was filed along with the Application papers on 06-26-2004. The preliminary amendment addresses all issues raised in the Quayle action and places the case in condition for allowance. In particular the preliminary amendment corrects the Abstract and corrects the improper multiple dependencies of claims 8-10.

Any inquiry concerning this communication should be directed to James R Bidwell at telephone number (703)308-1144.
